Office Action Summary								

Serial No. 09/114,027

Art Unit 1771

- Claims 1, 2, 7-10, 15 and 16 are rejected under 35 U.S.C. § 103(a) as being unpatentable over either J.P. Derwent Abstracts -059 or -060, substantially for the reasons set forth in paragraph No. 2 of Paper No. 16, together with the following additional observations. More particularly, the Examiner notes that applicants' traversal of the rejection appears to be identical with paragraph Nos. 2-5 of their response submitted January 26, 2001. The Examiner did not find their rationale convincing at the time, and for the same reasons set forth at that time their arguments are again found to be non-convincing. Should applicants believe that the Examiner's analysis is incorrect, the Examiner believes that since this is the second RCE application filed in the present case without success, it might be more desirable for applicants to take their case to the Board of Appeals, assuming that they are indeed convinced of the correctness of their arguments.
- 2. Claims 3-6, 11-14 and 17-20 are rejected under 35
 U.S.C. § 103(a) as being unpatentable over J.P. Derwent Abstracts
 -059 or -060, each taken in view of Kiefer, substantially for
 reasons of record. More particularly, applicants again traverse
 the Examiner's rationale for the motivation for the combination
 of the two Abstracts with the secondary reference Kiefer.
 However, they have yet to rebut or even contest by specific
 arguments the rationale originally set forth by the Examiner

Serial No. 09/114,027

Art Unit 1771

regarding motivation for the combination found in paragraph No. 6 of Paper No. 5. The Examiner believes that their arguments for traversing the combination are much narrower than the scope of their claims as well as the scope of the relied upon references. Finally, as above, the Examiner believes that if applicants firmly believe in their arguments which have been presented throughout the prosecution file as well as in their latest response, it is strongly suggested that they present their arguments to the Board of Appeals.

3. THIS ACTION IS MADE FINAL. Applicants are reminded of the extension of time policy as set forth in 37 C.F.R. § 1.136(a). The practice of automatically extending the shortened statutory period an additional month upon the filing of a timely first response to a final rejection has been discontinued by the Office. See 1021 TMOG 35.

A SHORTENED STATUTORY PERIOD FOR RESPONSE TO THIS FINAL ACTION IS SET TO EXPIRE THREE MONTHS FROM THE DATE OF THIS ACTION. IN THE EVENT A FIRST RESPONSE IS FILED WITHIN TWO MONTHS OF THE MAILING DATE OF THIS FINAL ACTION AND THE ADVISORY ACTION IS NOT MAILED UNTIL AFTER THE END OF THE THREE-MONTH SHORTENED STATUTORY PERIOD, THEN THE SHORTENED STATUTORY PERIOD WILL EXPIRE ON THE DATE THE ADVISORY ACTION IS MAILED, AND ANY EXTENSION FEE PURSUANT TO 37 C.F.R. § 1.136(a) WILL BE CALCULATED FROM THE MAILING DATE OF THE ADVISORY ACTION. IN NO EVENT WILL THE STATUTORY PERIOD FOR RESPONSE EXPIRE LATER THAN SIX MONTHS FROM THE DATE OF THIS FINAL ACTION.
